To manage the OSMA website: www.onlineosma.org.

In addition to attending the OSMA meetings, the Team Leader also attended the 2019 AAMA Conference in Greensboro, NC in September. The Oregon Society of Medical Assistants received recognition for excellence in website design during the Welcome and Awards Reception.

All updates to the OSMA website have been made in a timely manner. Registration forms and other updates and fliers that have been submitted to the OSMA Communication Team have been sent to Marie Cole for posting to the website. All updates have been made by Marie within 24 to 48 hours. Chapter Presidents have been encouraged to review their local Chapter pages and keep the information current.

A new contract is being signed with Spinnest Marketing to continue working with Marie as our webmaster. The Communications Team Leader is working with the OSMA Treasurer and Marie to create a PayPal account and set it up in order for members to be able to register for events via the website. After several discussions, it was determined that PayPal would be the easiest way for our members to use the website for payments. This will be launching soon.

Inquiries that have been submitted through the website have been distributed and answered appropriately. Most of the inquiries that are received through the website are questions regarding credentials and scope of practice. These inquiries have all been answered by Paula Purdy, CMA (AAMA), OSMA Public Affairs Liaison.

In addition to the website duties, the OSMA Communications Team’s budget pays for distribution of the OSMA Annual Postcard. Joyce Garibay, CMA (AAMA) created and distributed the postcard to all OSMA members. The postcard contains all of the dates and locations for all OSMA sponsored meetings for the upcoming year. The Team Leader wishes to thank Joyce for taking on this task every year. The postcards have been mailed to all members.

This member wishes to thank all members that have contributed to the OSMA website. It is a pleasure to serve OSMA in this way.
