|------------------|--|
| 3 4 5 6 | Report of the (President-Elect) AAMA National Delegate Annual Report Courtyard by Marriott, April 2020 Corvallis, OR. |
| 7 | Officer and of the Delegate that are all the AAMA National Conference in North |
| 8 9 | Officer was part of the Delegates that attended the AAMA National Conference in North Carolina. Officer was responsible for writing two reports; 1. Leadership meeting and 2. New |
| 10 | Certifying Board Pilot Program. |
| 11 | Columning Bound I not I rograms |
| 12 | LEADERSHIP WORKSHOP: |
| 13 | This event was presented by the AAMA Leadership Committee. First, attendees, who are leaders |
| 14 | in their state, were divided up by using a card system. The Leadership Committee reviewed the |
| 15 | AAMA Facebook and what is posted; Leadership Center that highlights leaders in their state; |
| 16 | new marketing button and employer cards. |
| 17 | A AMA EA CERCOV |
| 18 | AAMA FACEBOOK: This is a national connectivity for leadons course the USA. This provides state and chanter |
| 19 20 | This is a national connectivity for leaders across the USA. This provides state and chapter guidelines and up to date information. It also provides FAQ for questions that are directed at |
| 21 | AAMA. |
| 22 | |
| 23 | During the Leadership workshop at the national conference there were puzzles, and games to |
| 24 | complete that related to AAMA, AAMA leadership, credential and or medical assisting. They |
| 25 | also had leaders go around to each table so people could answer questions. This was timed. |
| 26 | Once you completed the all the games and puzzles you received a AAMA lanyard. |
| 27 | CREDENTIAL PILOT PROGRAM: |
| 28 29 | This year the AAMA Certifying Board implemented a new eligibility exam program in August. |
| 30 | The Certifying Board has unrestricted ability to make decisions regarding the CMA exam |
| 31 | pathway. This autonomy is required to meet the NCCA, ISO17024 and IEC accreditation |
| 32 | requirements. The program will allow any medical assistant who has completed a post-secondary |
| 33 | medical assisting program that includes specific education such as pharmacology, injections, |
| 34 | phlebotomy, and more. This means graduates of ACCET; ACICS; AND ACSSC programs are |
| 35 | eligible for the AAMA CMA exam. This is a three (3) year pilot program that ends in 2022. |
| 36 | AAMA did exactly the same pilot when they allowed ABHES graduates to take the AAMA |
| 37 | CMA exam. This pilot program does not affect the exam as the exam has not changed. Theses |
| 38 | graduates still must pass the same exam that all eligible medical assistants take. |
| 39 40 | Officer and National Dalagate wents to thank President Miller for her leadership and assistance |
| 40 41 | Officer and National Delegate wants to thank President Miller for her leadership and assistance. Officer thanks the Board and membership for electing her to serve. |
| 41 | officer manks the board and memoership for electing her to serve. |
| 43 | Paula Purdy, CMA (AAMA) |
