- Communications Chair Andrea Erickson, CMA(AAMA) requests that all Chapters submit their current officers list. She will be updating the onlineosma.org website with current information and events.
- Membership Chair Johnny Adamson, CMA-AC(AAMA) will be sending out a questionnaire to non-renewing (former) members. Please reply if you receive one.
- The **Annual Save the Date** postcard will be sent out soon in order for members to secure meeting dates for the 21-22 year.
- **The NW Regional Conference 2022** with Washington and Oregon Societies will be held on May 12-14, 2022 at the Red Lion Inn, Jantzen Beach (Portland), OR. More information is coming so mark your calendar now! The meeting will be IN PERSON!

- A second Ad Hoc Committee has been formed to look at the time frames for Year-End reports.
- There have been discussions about consolidating some chapters, and perhaps only going to a State Society. These decisions are difficult and require many changes and adjustments depending on the final outcomes.
- As OSMA and area Chapters have adapted to the COVID way of presenting education webinars via Zoom and other platforms, we have learned many things in the past year. Coordinating education can be time intense and needs commitment. An Ad Hoc Committee for Technical Budget has been formed to look at all of the steps, work on solutions, ideas to simplify the process and cost effectiveness.
- The next **OSMA Board meeting will be held virtually on Saturday, July 24th starting at 9am**. All OSMA members are invited to attend. If you plan to attend, please let President Purdy know via email at paula@trustmedx.com.
