Officer is charged with creating and arranging everything for the Leadership Retreat that happens annually. This year Officer changed the event to a Leadership Workshop that is for one day. It was elected to open it up to all medical assistants and offer it for free. President-Elect found three (3) speakers to talk on the topic of leadership for medical assistants and what does that mean. Since there is a budget for this event, we were able to arrange for a hosted lunch. Officer also found a sponsor, Med-X Staffing Services, for the continental breakfast. The flyer was created by RCCMA President-Elect Andrea Richardson, CMA (AAMA) and it was
distributed at the beginning of December. As of the writing of this report, we have 75 medical assistants registered for the Leadership Workshop.

OSMA Awards have been fragmented in years past. We had the Professional Achievement Award but did not have the details of this award. We also added the Excellence in Community Service Award. These awards will be implemented in the 2020 process.

Officer has been in contact with the President and answered all correspondence in a timely manner.

Officer would like to thank President Miller for her support and continued professionalism.

Paula Purdy, CMA (AAMA)
