

ZOOM BASED CONTINUING EDUCATION

SATURDAY, APRIL 17TH, 2021
8:30AM-10:30AM PACIFIC TIME
**Autism Spectrum Disorder:
An Overview**

with Tobi Rates & Lori Ball
of Autism Society of Oregon

This program provides an introduction into what is Autism Spectrum Disorder, how it presents and concrete ideas on how to support autistic people in a variety of settings. We also provide information on resources available.

Learning objectives:

- Understand the basic definition of autism
- Identify ways in which autism presents differently in different people
- Identify strategies to help support autistic people in medical settings
